

ANTIBODIES FOR EVERYTHING!!

ANTIBODIES

In Need of Phosphospecific Antibodies?

Biotechdesk offers a large selection of phosphospecific antibodies including:

- AKT
- β -Catenin
- ER
- IRS
- JAK
- P53
- pSer
- pThr
- pTyr
- SOX
- STAT
- Tau

Phosphospecific antibodies are available in biotinylated and dye-labeled forms, as well as AP/ HRP and APC/ B-PE/ R-PE conjugates, Biotechdesk also provides custom phosphospecific Antibody production; please contact support@biotechdesk.com for more information.

Antibodies for:

- Cancer
- Neuroscience
- Signal transduction
- Cell cycle regulators
- Apoptosis
- Cytokines
- MMPs
- Viruses

Secondary Antibodies:

Tagged to Biotin, HRP, Alkaline Phosphatase, FITC, Texas Red, Cy3, PE, Cy5 or Gold

Epitope Tagged Antibodies

Anti-His, Anti-HA, Anti-GST, Anti-GFP, Anti-cMyc and more

Substrates

OPD, TMB, DAB, Urea Peroxide, BCIP/NBT

Antibody Related Kits:

- KLH Conjugation
- BSA Conjugation
- Maleimide-activated Antigen Conjugation
- Alkaline Phosphatase Assay
- Peroxidase ELISA Assay
- Biotin Labelling
- Biotin, Streptavidin and its conjugates

If you cannot find what you are looking for, we will custom make the antibody for you!!

Try our polyclonal and monoclonal custom antibody production services
